DESIGNED IN LONDON

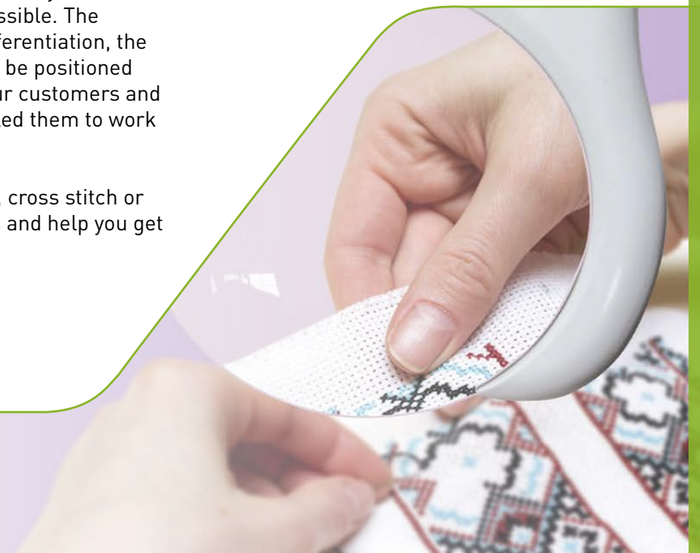
LIAQA ASSURED COMPANY
LIGHTING INDUSTRY ASSOCIATION

Unleash your creativity with the right light

The Daylight Company was founded on the recognition that high quality lighting with optimal brightness and spread is vital for sewers, crafters and creators.

We develop our products to ensure the light they emit resembles natural daylight as much as possible. The brightness is optimised for colour tone differentiation, the light is diffused equally and our lamps can be positioned effortlessly. Our inspiration comes from our customers and we love hearing how our lamps have enabled them to work more precisely, accurately and creatively.

Whether you're into quilting, dressmaking, cross stitch or tapestry, we have a light to suit your needs and help you get stunning results.



Halo Magnifier 5D (25200) and 8D (25300)

Plug in and power your projects, at home or away.

Small but strong, the Halo Lamp Magnifier is perfect for projects requiring extra attention. LEDs circle the magnification lens for an even distribution of light and accurate colour matching while the powerful lens provides optimum magnification. Easily portable thanks to its foldable design and lens cover, carry this compact companion with you and plug in whenever needed.

Comes with a wrist strap

Slimline Magnifying Arm (91707)

Turn your Slimline into a strong magnifier

Clip this magnifying arm onto the Slimline pole for a sturdy tool when creating detailed work. The 13cm (5") diameter rimless lens gives 1.75X magnification (3 dioptres) and its flexible arm allows for easy positioning. Use the Slimline Magnifying Arm for intricate work without eye strain.

(91707) COMPATIBLE WITH:

Slimline 3 Table: (35108),
Slimline 3 Floor: (35118)

Slimline Table Base (52107)

This elegant Table Base is designed to complement the Slimline 3 Table Lamp

With the same brushed steel finish, this is an ideal accessory to enable the Slimline 3 Table Lamp to be moved away from the table edge and placed where required. It is also useful when the lamp cannot be attached to a table with its clamp. This base is not compatible when the Magnifying Arm (D91707) is attached to the Slimline table lamp (35108).

(52107) COMPATIBLE WITH:

Slimline 3 Table: (35108)

Professional Floorstand White (53060), Grey (53062)

High quality 5 spoke floorstand

A unique and robust design enhances stability and supports the heaviest Daylight lamp and magnifiers. Easy to assemble, the floorstand glides smoothly across any surface. Available in white and grey.

(53060) COMPATIBLE WITH:

(35500) Lumi Task Lamp

(53062) COMPATIBLE WITH:

(35600) Luminos Lamp

Professional Table Base (52080), (52082)

This heavy duty table base is a good alternative to the table clamp

Easy to assemble, this durable table base enhances stability and supports the heaviest Daylight products. Available in grey and white.

(52080) COMPATIBLE WITH:

(35500) Lumi Task Lamp

(52082) COMPATIBLE WITH:

(35600) Luminos Lamp

Daylight LED Bulbs (15500), (15800)

Daylight LED bulbs 15W and 18W (ES)

New high performing daylight LED bulb. The bright LED emits true daylight with 6,000 K; it instantly switches on to full brightness and uses approximately 80% less energy*. Get 15,000 hours** of bright, unbreakable daylight with our shatterproof LED bulbs.

Features:

- Daylight (6,000 K)
- CRI: 80+
- 1,521 Lumens
- 15W = 100W Equivalent
- Uses 80% less energy*
- 15,000 hour life
- 40,000 Switching cycles
- Non Dimmable
- 220-240V 50/60Hz
- Fitting Type: ES

*Approximate saving compared to an incandescent bulb

**15 years of light ~2.7 hours a day

Features:

- Daylight (6,500 K)
- 1,800 Lumens
- CRI: 80+
- 18W = 115W Equivalent
- Uses 80% less energy*
- 15,000 hour life**
- 15,000 Switching cycles
- Non Dimmable
- 220-240V 50/60Hz
- Fitting Type: ES

**Approximate saving compared to an incandescent bulb

**15 years of light ~2.7 hours a day
